Serial No.	
1	From The Registrar, Mysore University, letter no 3272 & 22.9.23 Forwards the leave application of Mr. V. Subrahmanya Iyer, Registrar, for 6 months combined leave from 26th Oct. 1923 and states that the Vice Chancellor recommends that Mr. Subrahmanya Iyer be granted the leave he is entitled to at the time of his retirement. Mr. Subrahmanya Iyer will attain 55 years of age on 15th April 1924. The question of his retirement or extension of service will be taken up for consideration next month. Submitted for orders. Mad Mr 28.9.23 As regards the leave, if it is decided not to grant it now, (as the V.C. would apparently find it inconvenient) Mr Subrahmanya Iyer may be permitted to take the privilege leave due to him after his supersannuation before his retirement. (He could also get leave restricted not to grant furlough on full average salary after superannuation) by 28/9 Seems this appl is intended as a ground for giving Combined leave at the End

Submitted to Vice-Chancellor :--

I had applied for the privilege leave I was entitled to, twice on previous occasions. No leave was granted to me on the first occasion on the grounds of urgency of the University work and I was granted only one month's leave on the same grounds as against two months applied for on the second occasion.

I have had not more than a month and a half's privilege leave during my entire service of 33½ years.

I will complete my 55 years of age by the 15th April next and I desire to be permitted to take all the leave at my credit before it lapses on that date.

I therefore request that I may be kindly granted 4 months' privilege leave combined with 2 months' furlough on average salary with effect from the 26th October 1923, with permission to prefix the preceding Dasara holidays of 1923 to the leave. Incase it may not be found possible to grant me the above leave from the 26th October 1923, I request I may kindly be allowed the benefit of article ~~140~~ 150 .A., M.S.R., so that I may be enabled to avail myself of the said leave at the time of my retirement.

* The Convocation as well as two Senate meetings will be held between October & April, and further as the Report of the Reorganisation Committee will come up for consideration during that period, it will not be possible to grant ~~your~~ leave at this time. The application may be forwarded to Govt. with my strong recommendation that you may be granted the leave you are entitled to at the time of your retirement whenever that may come to pass.

Bangalore 19.9.1923

I had already submitted this question during July 1923 when it was ordered to be brought up in September 1923. The matter is now submitted according to the above orders.

As I have to take about a month's leave from the middle of January next, it is not possible to grant leave to Mr. Subrahmanya Iyer for the present.

Further, after I return, there will be the Re-organisation work. I should, therefore, recommend that he may be given the leave due to him after April 1925. He may, however, be given any 'short' leave that he may require before April 1925. I have permitted
